

VBX-ValveBody **Xpress**™

## RE4F04A & RE4F04B

Our RE4F04A and RE4F04B Valve Bodies contain exclusive **VB-Xtra**™ updates that prevent open throttle slipping and allow the transmission to shift more efficiently.

**\*\*\* IMPORTANT NOTE \*\*\***

An RE4F04B Valve Body has a much shorter wiring harness than the RE4F04A.  
Please see **RED ARROW** above for photo of shorter wiring harness.

If you are working on a vehicle from model years 2000 & up, PLEASE check the length of the wiring harness before ordering to be sure that you order the correct valve body for your application.
