

Saturn (TAAT)

1991 - Early 1992

Late 1992 & Up

*** IMPORTANT NOTES ***

The above photos illustrate the bottom section of a Saturn (TAAT) Valve Body.

The photo on the right shows the most commonly used Saturn (TAAT) which is found in model years from late 1992 and up. It will have 4 holes on the bottom of the valve body. Please see **RED ARROW** for location of the 4 holes.

The photo on the left shows the early Saturn (TAAT) which was used only in model years 1991 & Early 1992! Instead of 4 holes, you will see a large valve. Please see **GREEN ARROW** for location of the large valve.
