

U150E/U151E/U151F/U250E

2001 - 2003

2004 - 2012

The valve bodies **CANNOT** be interchanged! The linear solenoids are different in size!
The electrical connectors on the linear solenoids are different shapes and the internal harness will not plug into the wrong valve body! See **RED ARROWS** above.

!!! WARNING !!!

For additional information regarding the differences in the linear solenoids and electrical connectors, please review our "U150E/U151E/U151F/U250E Product ID" BEFORE ordering this valve body!!
