

35723HD-01

OUTER RACE, INTERMEDIATE OVERRUN CLUTCH

H I G H P E R F O R M A N C E T R A N S M I S S I O N P A R T S

FEATURES & BENEFITS:

- **Case-hardened I.D.**
- **Alloy steel**

Part No.

35723HD-01

*1 Intermediate Overrun Clutch
Outer Race*

PART SUMMARY

The outer race of the OEM intermediate overrun clutch has been prone to cracking at the O.D., under higher torque load applications. OEM parts have been discontinued and replacement parts are becoming harder to find.

Sonnax now offers a heavy-duty outer race, **35723HD-01** for the 350C. The improved outer race is machined from high-strength steel with hardened I.D. supported by a more ductile core to meet the demands of the high performance market.
