#### Part No.

**77701-04K**

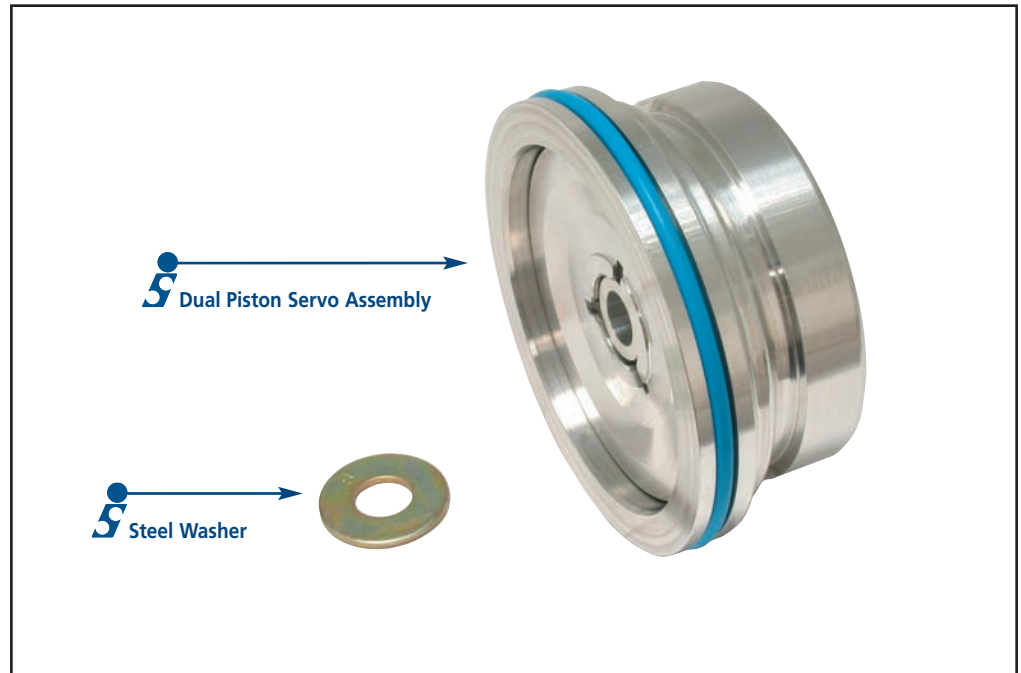

2nd Gear "Corvette" Ratio Servo

Also Available

#### Part No.

**77911-03K**

2nd Gear "Super Hold"  
Servo Assembly

### Part Summary:

Vehicles with a 4L60 or 4L60-E family transmission often exhibit poor 3-4 shift quality and experience band failure in performance applications. The Sonnax "Super Hold" 4th Gear Servo features 40% more apply surface area for greater holding power.
