

VBX-ValveBody **Xpress**™

G4A/GF4A-EL

We stock 4 Solenoid, 6 Solenoid & 7 Solenoid G4A's. Please count the number of solenoids to determine which Valve Body you need.

Our G4A Valve Bodies contain exclusive **VB-Xtra**™ updated springs which enable smoother, more fluent shifting.

PLEASE NOTE: When ordering a 6 or 7 Solenoid G4A, please identify whether the Valve Body has a solid or wired temperature sensor.

The temperature sensor **DOES NOT COUNT** as a solenoid!
See **RED ARROW** above for location of temperature sensor.
